

Łukasz **Guzowski**, [The History of Town and Church in Wieliczki](#)

Summary

The article aims at presenting the richness of the history of Wieliczki town and its region. Wieliczki, though it is a small town, was not saved by the currents of history. Many war storms and other catastrophes, which were experienced by its inhabitants, left the town ruined and destructed. Despite numerous natural and historical disasters the people of Wieliczki endured them, remained in their small fatherland, and produced many indelible marks of culture and art.
