

Fr. Jacek **Uchan**, Marriage in the teaching of Jehovah's Witnesses. God as a creator of marriage.

Summary

This article shows marriage in the Jehovah's Witnesses doctrine. They believe that God is the creator of marriage. However marriage is treated by them as natural relationship. The Jehovah's Witnesses organization does not recognize the sacrament of marriage. They believe that at the beginning of human history incestuous marriage were allowed by God. However husband ideal and that of wives are both drawn from the texts of Bible.
